Meet: James

Role: Assistant County Commissioner (Cubs)

What do you do when your not Scouting: Insurance Broker –
How different from scouts can you get?

How did you join: Joined as a cub when I was 7 years old, and never left.

Why do you Scout: Just for the Buzz, I got so much from scouting as a youth, I just couldn't not do it as a adult.

What do you do: Almost anything from Games, Camping, Watersports, and more. If you have the idea, The Scouts will find a way of doing it.

Best Bits: My personal best bit was the reward. I've got to meet the Royal Family, Visited 4 Continants, and even dived a volcano, all thanks to The Scouts
