-----fold-----

#BehindTheNecker

Meet: Keith

Role: Assistant Cub Scout Leader

What you do when you are not Scouting: Retired Photographer (Still my hobby) and Model Railway Fanatic / Manager of Local Exhibitions, and im an Archery GB Qualified Instructor.

How did you join: As an adult helper when my daughter joined Beavers.

Why you Scout: It is FUN, mostly. And it is great getting shy, young people and their parents to join in and help!

What you do: Whatever the group needs me to do, from just being there to maintain safety ratios, to running meetings.

Best Bits: Proving to the Beaver/Cub/Scout that they CAN do regardless of what they think. This includes making them use "proper" archery bows when taking part and hitting the target. I am disabled and so also really enjoy helping this less able to take part if I know I can.

For More Information on how to Get Involved please email:
