#BehindTheNecker

Meet: Mark

Role: County Pride Advisor and Scout Leader

What do you do when you are not Scouting: The day job is at a Large Housing Association support staff and customers with their use of IT.

How did you join: I was going to be a teacher and needed experience with young people, so I asked my scouter friend if I could help. 16 years later I'm still here but still not a teacher.

Why do you Scout: THE ENERGY! Young people have such enormous amounts of energy and its infectious. You never know whats going to happen, or whats going to be said.

What do you do: So, as well as running 2 scout troops, holding a rafting permit, shooting qualification, organising pride events, and getting involved with as many activities as possible. The really awesome thing I do is help take scouts on some epic international adventures with Dorset 'Scouts on Coaches'.

Best Bits: WOW! Which to choose – there are so many.
